Dear families

Namaste !

Honor and privilege we all mine to release the first ever Newsletter of Lawrence International School that has entered the 27th year of its colourful history.

The school was opened with a mindset of transforming society via Education and we are continuing with the same legacy continuing with the same legacy and intend to do so in future also.

Everyone who enters our four walls is precious, a learner and an education for us at same time. We all our level try best to recognize differences and encourages to address the issues in the most positive way by influencing our pedagogical practices to lead the personal growth of everyone. Our sincere aim is to create and give ample opportunity to all the learners so that when they pass out they are a wholesome individual with all the passion for the man kind.

Let us join our hands together and walk on this wonderful path of enlightenment.

Regards

Mrs. Nitika Gupta

Finance Secretary

COMMITTED LEGACY

Dear families

With and to a delighted heart, enthusiastic and vigorous energy I wish to bring Lawrence International School. It is going to an open window our families to know pulsating voyage of our learners in school to give families an opportunity to stay connected to school, go through the excellent and unique practices being followed, give suggestion raise the bar and be our partners in the growth of our society.

The world is changing at faster pace and we need to be faster than when it comes to nurture our learners.

Being committed to the legacy of Shri Jodh Raj Gupta Ji our founder we strive continue his legacy of serving the society via education with all the modern techniques required for making our learners a global citizens.

NEWSLETTER

From the desk of the Chairman -

Dear families

Namaste!

It gives me pleasure beyond measures to release the first Newsletter of Lawrence International School enriched with 26 teaching years of learning and teaching proving hence itself to be on a dynamic path of working for enlighten together. We, in the school parents promote inclusively including and value diversity, understand, accept and respect the fact that every individual is a unique entity and learning is a dynamic and life long process. We understand that intellectual, physical and emotional status is important, needs to be checked and worked upon regularly, sincerity and religiously. Our aim is big but not beyond achievability .I with open arms embrace our diversity and invite everyone to be my companion in this eventful journey of learning , impacting knowledge honing values and meeting. Global competence with full vigour .

Regards

Mr. Rajan Gupta
